

What School Supplies Do I Need?

Every year the teachers provide Duncan students with a recommended supply list for each grade level. Although we do supply all necessary supplies your child may need to be successful at school, if you would like your child to have their own personal supplies, please feel free to purchase from the list below. Some grade levels have also asked for resources such as Kleenex that could be used to supply the whole class. Please do not feel obligated to purchase any of the items listed for your child's grade. Thank you.
